

ACTION PLAN

STRATEGY NUMBER: 2

PLAN NUMBER: 6

DATE: 9/30/06

Student Learning & Development Strategy: We will identify the enduring understandings, global connections, and PA Assessment Anchors that are threaded through and integrated into the K-12 curriculum which foster student engagement in the process of achieving PA Standards as measured by PSSA.

Specific Result: All curricular areas will reflect student engagement in critical thinking as they acquire the enduring understandings that will be threaded throughout K-12 content.

#	ACTION STEP (Number each one)	Assigned To:	Starting Date:	Due Date:	Completion Date:
1	Using existing frameworks and planned course documentation, a team of (7) educators and stakeholders will identify the enduring understandings embedded in the K-12 curriculum.				
2	Experienced teachers will map the enduring understanding elements as they are threaded throughout their content areas.				
3	The K-12 conceptualizations arising from the enduring understandings model will be coordinated by District Staff to the State Anchor Assessments and Standards.				
4	Teachers will be provided professional development time to create products using elements of enduring understanding and their units and activities will be shared electronically with other staff.
