**STRATEGY NUMBER: 2**  
**PLAN NUMBER: 9**  
**DATE: 9/30/06**

**Student Learning & Development Strategy:** All students/teachers will experience real world applications of content.

**Specific Result:** A mentoring/shadowing program will be developed at the high school level.

#	ACTION STEP (Number each one)	Assigned To:	Starting Date:	Due Date:	Completion Date:
1	Develop a list of mentors/internships/shadowing opportunities in the business community. a. Develop a survey to be filled out by community members which will determine real world applications of content in their respective professions. b. Evaluate surveys and organize jobs by content area.				
2	Assign students to specific mentors based on differentiated needs (i.e. interest, lack of connection to content, potential career, etc.)				
3	Create a schedule for meeting/observation times.				
4	Create a document which students can use during shadowing that shows correlation of content to real world applications.				
5	Students will communicate content observations with peers.				
6	Students, community members and teachers will evaluate the program.				
7	Refine the program.
